

PLEASE SPECIFY:

- (1) **Panel Size:** Standard panel sizes are 2, 3, 4, 6, 8, 9 and 10 gauge.
Standard panels include gauges, nameplates and Miniature Pressure Transmitters complete with weld-on nipples.
- (2) **Meter Range:** Standard ranges are: 0-15, 0-30, 0-60, and 0-100 PSI.
Specify range for each letter position. For example: A – 100, B – 30, C – 100, etc.
- (3) **Nameplates:** Select from a standard list (See Nameplate PDF) and specify by number for each gauge position.
- (4) **Electronic Pressure Transmitters:** State quantity required and specifications according to ordering information under **Electronic Transmitters**.
